Reminders

The American Harp Society has a new website! www.harpsociety.org Check it out. There are many National programs that chapters can participate in, with huge benefits to the membership, but not huge cost to the chapter. The Concert Artist Program will pay the AHS Concert Artist's travel expenses so the chapter can present them in concert. The Music Education Auditions are also a great chapter activity to help the students have goals to work toward and improving musicianship. Every 3 years a chapter can apply to bring in an additional advisor, and the travel expenses of this National Committee guest advisor will be reimbursed.
