## **2019 Chapter Ambassador Awards Program**

### **Guidelines for Chapters**

#### **PROGRAM OVERVIEW**

The intent in creating the Chapter Ambassador Awards program is to inspire student engagement with the AHS national event; to promote community, and to empower recipients to create engagement opportunities within local harp communities.

This matching awards program is being presented as an opportunity for the national organization to encourage and support chapter initiatives that promote student participation in the 2019 AHS Camp Innovation and the Summer Institute while simultaneously engaging the student ambassadors in learning about and participating in activities at the national level.

#### **FAQ'S For Chapters**

- Individual chapters may develop their own criteria for the selection of student nominees at the local level.
- Chapters are strongly encouraged to provide oversight and assistance to students who choose to apply to the Chapter Ambassador Awards program.
- Chapters must submit proof/pledge of local funds prior to students being nominated for the Ambassador program.
- Chapters may raise funds through legal means and in any manner appropriate for their chapter.
- Chapters are encouraged to include student nominees in the fundraising process as a means of community involvement and investment in the Chapter Ambassador Awards program.
- Chapter award funds may be appropriated by designation of existing chapter funds; gathered through fundraising activities such as but not limited to: play-a-thons, practice-a-thons, donations at chapter concerts, donations at performances, donations at pre-concert performances, student busking (with proper legal permissions and parental supervision), used

music or harp accessories sales at chapter meetings, and/or designated gifts or sponsorships at the local level.

- Disbursement and oversight of funds to selected students will be the responsibility of the individual chapter. Any matching funds from the AHS, Inc. must be used solely for expenses related to attending the 2019 AHS Camp Innovation or Summer Institute. In the event the student is unable to attend, or is unable to complete the terms of the Chapter Ambassador Awards contract, the chapter will be liable for returning the amount of the unused matching funds to the AHS, Inc.
- Matching funds are not guaranteed. Matching funding is only available if the student is accepted by the national selection committee as a Chapter Ambassador.
- In the event that a student is not selected as a Chapter Ambassador, and therefore does not receive matching funds, the chapter may elect to award a chapter scholarship to individual student members for attendance at the 2019 national events. While these students would not receive Chapter Ambassador Award recognition, nonetheless they could receive recognition at the chapter/regional level. The AHS, Inc. welcomes and encourages any and all support from local chapters that encourages and incentivizes student participation in the 2019 AHS Camp Innovation and/or Summer Institute.
