

ENDOWMENT FUND DONATION

In the 1980's, the AHS established its Endowment Fund to serve as an ongoing source of funds for its programs. Two fundraising campaigns established a restricted principal of \$300,000 which has grown over the years through careful and profitable investing. A gift to the endowment will be preserved to earn stable, predictable income for AHS's future.

The American Harp Society, Inc. is recognized by the IRS as a U.S. tax-exempt 501 (c) (3) organization, EIN 13-6131860.
