2015 News

*This is YOUR Fall Newsletter! I am happy to share news from each chapter within the Region. Please submit announcements about upcoming or recent events, recitals, workshops, competitions, student activities, etc. and keep everyone in the Southwestern Region informed of harp happenings in your area.*

*In between official publications, consider joining our Facebook group at "American Harp Society – Southwest Region". Social media can be a fun, easy, quick and free (who doesn't like that?) way to connect with other harpists and to stay informed of events as they occur. Members are invited to post announcements, pictures and videos – but are asked to keep it relevant to harp-related topics and submit only those items that would be of interest to the broader harp community.*

*As a friendly reminder, please encourage the members of your local chapters to become members of the national AHS, Inc. to have the full benefits of the Society. By joining, they will receive the American Harp Journal, access to harp insurance, email notifications, and will be able to participate in all activities of the Society including competitions and Summer Conferences and Institutes.*

*Mark your calendars now to attend the **2015 Summer Institute, to be held June 21 – 24 at Utah State University in beautiful Logan, Utah!** The 2015 AHS National Competition will be held concurrently with the Institute. The Lyon & Healy Awards will be held just prior to the start of the Institute on June 19 – 20.*

---

*Visit the AHS website at [www.harpsociety.org](http://www.harpsociety.org). We also welcome you to join the National and Southwest Region Facebook groups.*

*Further details about the Institute, National Competition and any other service benefit of the American Harp Society can be found on the extremely helpful and informative website [www.HarpSociety.org](http://www.HarpSociety.org), which now contains a new membership portal! Please log in to update your contact information, tell us about yourself, and upload a photo. This portal will make it easier for you to contact other AHS, Inc. members, and will help the Society be more connected.*

*Lastly, I wish you all a wonderful 2014 -2015 season!*

*All the very best,*

## Phoenix Chapter

**Adrienne Bridgewater, President**

*Phoenix Chapter Activities 2014:*

- During our **January** meeting, a panel discussion was held to explore making a harp arrangement of pop music from a lead sheet or piano arrangement. Published arranger **David Ice**, Russian trained performer **Alla Yashneva** and local jazz harpist, **Jacqi Musselman** gave us tips and suggestions for making music exciting for each of us at our level.
- In February, Chapter Vice President **Alla Yashneva** shared an expose of Russian music for the harp as well as the music education system in Russia.
- A **March** concert featuring 10 premiere young harpists in Metro Phoenix was hosted by **Shelley and Paul Wiest** of HarpsArizona.com.
- In **April** our members enjoyed a decades long tradition of **High Tea and Harp Music** in the lush backyard of Chapter Recording Secretary, **Linda Petersen**.
- **May** is the month of our annual **Spring Recital**. This is a showcase of our Chapter's young students. Hosted by a local retirement home, a large audience of appreciative seniors as well as family and friends enjoy beautiful harp music.
- Our **September** meeting features reports of the various summer activities – The AHS New Orleans Conference, The Lyon & Healy Birthday celebration, and the World Harp Conference in Australia. **David Ice** will present a video of highlights from the Midwest Harp Conference. Featured music is harp duos and ensemble.
- **October** is the time of our annual **Spooktacular Halloween Harp Recital**. Harpists are invited to wear a costume and perform a spooky tune. Halloween music for harp is a wonderful way to explore special effects on the harp. Scary squeaks, creaking doors and flying bats are easy and fun sound effects to achieve on the harp.
- Our **November** meeting featured Chapter Corresponding Secretary **Laura Goldstein** presenting **Harps 'n Tales, a Celtic Story Telling with Harp**. Also in **November** our Chapter hosted for the 7<sup>th</sup> time, our version of the Associated Board of the Royal Schools

- of Music (ABRSM) exam. Many young student harpists participate in this challenging exam.
- In **December** the Phoenix Chapter traditionally presents a recital of **Holiday Harp Music**. All our members are welcome to perform and we share our music with family, friends and appreciative seniors at a local retirement home.
